

SPOLVERO MOP

ANTI-DUST SPRAY FOR FLOORS

- Excellent for dusting due to long lasting anti-static effect
- For the ordinary maintenance of raised floors
- Recommended on brooming flat mops to avoid oily residues

Spray with long-lasting highly antistatic power suitable for the dust mopping of all types of floor, with the exception of fabric surfaces. Used on waxed floors, it extends the effect of the protective film. It is the ideal solution for the ordinary maintenance of raised floors which are used in particular in rooms with electronic devices or in all the situations where wet techniques are not recommended. Its usage on brooming flat mops is recommended to avoid oily residues.

HOW TO USE

shake before the use. Spray the product onto a flat mop or cloth and wipe over the floor that requires dusting.

DILUTION

Ready to use.
